

Dear Vickie,

A note to thank you sincerely for your help, kindness, and treatment you gave me. I want you to know, I have weaned myself off Gabapentin with your advice not a doctor. I have not had a tablet for two weeks now, and am still pain free. I can never thank you enough for giving me back a quality of life. I thought I had lost forever. Only you understood my discomfort and helped me find a cure. Here's hoping I stay this way.

Fondest Regards to you and your staff
